BOARD OF CONTROL

November 14, 1999

Dear Friends:

The Board of Control and Administrative Staff of the Wisconsin Independent Schools Athletic Association would like to take this opportunity to welcome you to our 1999 WISAA State Football Championships. On April 24, 1969, the WISAA Board of Control approved the first "state football championship" in Wisconsin. The event has been revised several times; the final revision included three divisions with a total of 24 teams making it into the playoffs. This is the eleventh consecutive year for the three-division tournament structure. With some of the top ranked teams in the state participating, 1999 promised to be one of our best!

We would like to take this opportunity to express our sincere appreciation to the administrators, athletic directors, tournament personnel and the many others who give so much of their time and energy to help make this tournament a unique and exciting experience for players, coaches and fans. We extend our special "thanks" to our sponsors. Your financial support is greatly appreciated.

We are also grateful to the fans who have come today to help support our program and be a part of the 1999 WISAA State Football Championships. We hope your visit will be enjoyable and rewarding.

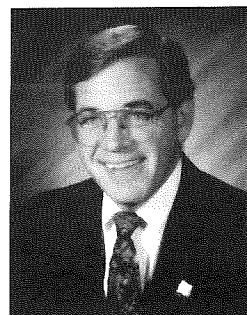

Sincerely,

Burt A. McDonald

WISAA FOOTBALL CHAMPIONSHIP SERIES HISTORY

In the fall of 1967, Warren Braun, then football coach of Milwaukee Pius XI High School, envisioned a post-season football game between certain teams of the then Wisconsin Catholic Interscholastic Athletic Association (WCIAA). While the idea was not to stage a football championship, it was intended to provide football teams with some sort of post-season objective such as was afforded teams in other sports, all of which were eligible to compete in a post-season tournament.

Braun's suggestion resulted in the Milwaukee Catholic Conference forming a committee to investigate the possibility further. The committee was comprised of, besides Braun, Frank Kopenski, Milw. Marquette; John Christman, Milw. Francis Jordan; George Garrot, Milw. Pius XI and Joe Blanco, Waukesha Catholic Memorial. The committee proposed to hold a Milwaukee Football Classic following the regular season. Four teams were to play two games the same day at the same site. The teams were to be selected from the three main WCIAA conferences with the fourth team selected from the independent schools in the state. The committee proposed that the WCIAA sponsor the games after a poll of schools throughout the state, by Frank Kopenski, indicated strong interest for the Classic. Upon receiving the proposal, the WCIAA Board noted that the Classic would be short of naming a football champion, something it had not seriously considered. Upon so notifying the Milwaukee committee, the latter group suggested revising the proposal to continue a second weekend and name a state champion.

The WCIAA Board referred the proposal to the new WISAA Board in October of 1968, since the WCIAA, on July 1 of that year, opened its doors to all independent schools in Wisconsin, becoming the present Wisconsin Independent Schools Athletic Association (WISAA). The WISAA Board named an ad hoc football committee to study the matter, which committee strongly recommended a state football championship. The group was made up of Chairman Father Paul Esser, Milw. Messmer; Richard Bode, Racine Lutheran; Gene Clark, Appleton Xavier; Frank Kopenski, Milw. Marquette; Walt Kroll, Marshfield Columbus and Bob Bieri, Beloit Catholic.

After studying the recommendation, the Board felt that it should poll the administrators and athletic directors of member schools to determine whether the proposal was educationally and philosophically sound. The poll results were favorable. Before coming to a final decision, the Board conducted a second poll of the same persons which resulted in a combined 59-27 favorable vote. Finally, the Board of Control, meeting in La Crosse on April 24, 1969, voted 6-1 to make the WISAA State High School Football Championship a reality, setting the first play-offs for November 8 and the championship for November 15, 1969. The Board based its decision on the conclusion that the event is sound educationally and philosophically, stating that "it is another opportunity for students to distinguish themselves legitimately in a recognized educational activity".

The format/structure of the WISAA football series has undergone distinctive changes over its 24-year history. The original four-team, one-class system was utilized from 1969 through 1975. On April 30, 1976, the Board of Control, on the strength of the unanimous recommendation of its Football Advisory Committee, voted 5-1, to add a Class B championship game to the series. Then, on April 14, 1983, the Board, again upon its Football Committee's recommendation, unanimously approved of expanding the series to include eight teams in Class A and four teams in Class B. Finally, on April 20, 1989, the Board concluded a year-long cooperative membership review of the WISAA football series format by unanimously approving a recommended new three-division football playoff structure which would potentially identify 20 qualifying teams to be placed in Division 1 (8 teams), Division 2 (8 teams) and Division 3 (2 or 4 teams). On June 11, 1992, the Board approved the expansion of the Division 3 field to include eight teams, thus, allowing 24 teams annually to participate in the football championship series. The three-division format will be utilized for the eleventh consecutive year in 1999.

Our new state of the art science center is the finest high school computer and technology environment in Wisconsin. Because at Divine Savior Holy Angels, we're serious about training tomorrow's leading scientists.

We maintain the same formula for success in every

one of our classrooms. You have to be dedicated. You have to be enthusiastic. And, you have to be a girl.

Experts say "technology is the new boys club," but our cutting edge science program gives our graduates a competitive edge. In this single sex environment, our students receive every opportunity to voice opinions and ask questions.

At DSHA, turning bright girls into successful women is not an experiment. The results are remarkable. In

fact, 99% of our graduates go on to college.

COACH DICK BENNETT TO HIGHLIGHT A

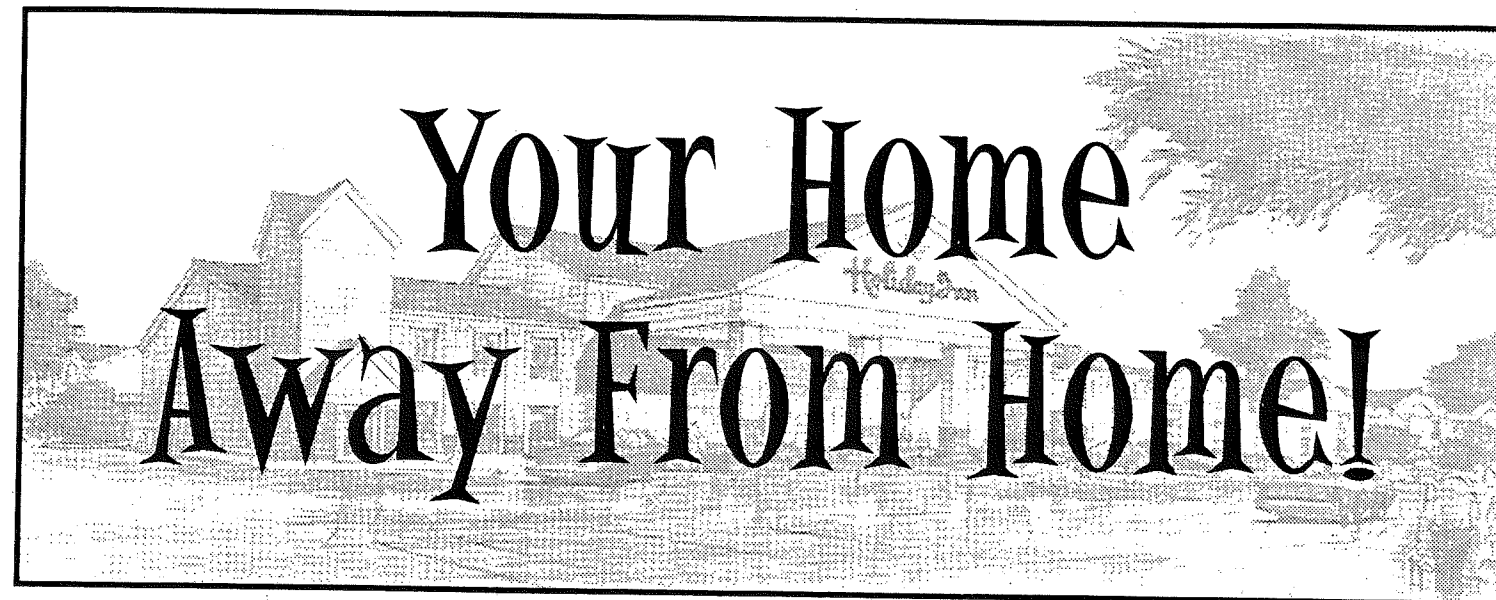

"WEEKEND IN THE DELLS"

**CLOSING CELEBRATION SET FOR
JUNE 23-25, 2000**

Coach Dick Bennett, Head Basketball Coach for the Wisconsin **BADGERS**, will highlight our closing weekend in Wisconsin Dells on June 23-25, 2000. Tentative plans include a social on Friday evening, a day of planned activities (or just relaxing and enjoying the day) on Saturday and our finale on Saturday evening which, in addition to Coach Bennett, will include a banquet. Most people will agree that Dick Bennett is one of the best they have ever heard.

The Wintergreen Resort has reserved a block of rooms for our special closing celebration. Rooms must be reserved by calling 1-800-648-4765. Ask for the "WISAA block of rooms". The rooms are on a first-come, first-serve basis. Questions can be answered by calling 608-784-2400.

If you want to start your game off right,
let us take care of you overnight!!!
